# Blackwater Newsletter

#### Friday 5th July 2024

Dear Parents and families,

This week has been one of the most proudest moments I have had at Blackwater, when I took our Singers to the Hall for Cornwall to sing in front of 1300 people. With a strong 43 children in the choir, it was a tall order for the children to ALL know the lyrics, actions and be brave enough to sing with pride on stage but they did it! What an experience! A big thank you to our family of schools, TPAT, for hosting the event.

We have also seen so many activities, opportunities and trips happen over the last two weeks I don't even know where to start! Our surf club continues to go from strength to strength with the children gaining confidence every session, showcase afternoons for Busy, Friendly and Harmony have been a real success with parents being able to come into school to see what learning the children have done over the past term. Wheal Friendly have had their festival day where they have had the best time creating a wonderful experience for the children. Finally, the Year 6 children have not only experienced a Surf Life Saving day on Thursday but today visited the Community Roots programme at St Agnes as part of their Wild Wellbeing Warriors.

I am so proud and delighted by all the events and the experiences the children have here at Blackwater School.

Last week, we also welcomed Ofsted as we had volunteered to be a pilot school to run the new framework for September. Ofsted, again, thought we were wonderful and the children took such pride in showing them their work and talking about our school. They do certainly love it here! We are very pleased that we have been part of the process to help Ofsted improve.

I do hope you have a wonderful weekend, hopefully the weather will cheer up!

Best wishes

Mrs Evison
